Older & Bolder North is a social and support group for 2S-LGBTQ+ adults who are 55 and older. The need to connect is greater than ever before with COVID-19 trying its best to keep us isolated, and we are happy to provide a safe, judgement-free space to be out, proud, and social!

New Horizons has allowed us to build partnerships across central and northern Ontario and create programming for 2S-LGBTQ+ older adults (55+). Agencies involved are Gilbert Centre in Barrie (covering Simcoe/Muskoka), AIDS Committee of North Bay and Area, and Réseau ACCESS Network (covering the Greater Sudbury Area). While the pandemic has created immeasurable interruptions in our daily lives, it has also shown that there are opportunities to connect with people and communities that we may not normally have access to.

We are hoping that this will become a monthly gathering, and that we can help to build stronger communities of engaged, resilient older 2S-LGBTQ+ people across our regions.

Meetings will be held virtually through Zoom (phone, tablet, computer with microphone and/or camera needed). A link for the group will be provided upon registry.
